Boys Are Injured In Car Accidents During Past Week

Three teen-age boys were hospitalized at 11 p. m. Monday night following an automobile accident at Kings Beach, the California Highway Patrol reported.

The driver of the car was 13 year old Leonard Holland, who told officers that he took the car without permission of his folks to take a ride with friends, Pete Mason, 16, of Kings Beach and Richard Jacobson of Carson City.

Witnesses said the car was traveling at a fast rate of speed when it struck a utility pole and all three occupants were injured and taken to the Tahoe Forest Hospital.

The car was registered to Mr. and Mrs. Jack Radovich of Delano.

Car Over Bank

William John Jasper, 17, San Leandro was injured last Thursday when the car he was driving ran off the highway near the half-way bridge on the Tahoe City road and plunged down the embankment at 2 p. m.

Robert Tonini of Truckee drove by immediately after the crash, saw the dust from the wreck and gave assistance. Jasper was taken to the hospital with head and back injuries.

Two Injured

Mr. and Mrs. Amos Moore of Yuba City were treated at the hospital Saturday evening after their car and one driven by Raymond

S. P. Plans Puzzle Local Residents

Of local interest and some concern was the testimony of D. J. Russell, president of the Southern Pacific Company before the Interstate Commerce Commission last Monday that the railroad industry's greatest problem is eliminating wasteful duplication of facilities and surplus plant and track.

The testimony was given before the opening session of the ICC hearing on rival applications by the Southern Pacific and the Santa Fe to acquire control of the Western Pacific railroad.

The testimony naturally did not indicate that if the SP gains control of the WP that either the tracks through the Feather River or over Donner would be eliminated, but the question caused some local concern as the SP is a principal industry in this region.

Officials have said there is not a chance that the Feather River route would be used to replace the summit tracks, but a definite duplication is seen.

The Santa Fe, which has Western Pacific backing for an end to end merger of their lines, contends resulting stronger rail competition in Southern Pacific territory will be of public benefit.

The board of supervisors of Nevada County recently declined to support either the Santa Fe or SP petition for control of the Western Pacific.

NEVADA DECLINES TO ACCEPT WATER PLAN

RENO—Nevada members of the joint California-Nevada Compact Commission have declined to accept officially a report on division of water in the Carson and Truckee Rivers between the two states.

The report was prepared by water authorities representing both states but Nevada commissioners decided it would be best to continue negotiations to allocate water in the two states on a joint commission level. The Nevada commission expressed fear the report might "widen the breach" between the states and feels more would be accomplished if Carson and Truckee committees of the joint commission continue their efforts to reach agreement.

A scheduled July 26-27 meeting meeting of the joint commission in Reno has been postponed. No new date was set.

GARY SNYDER TO BE STUDENT AT DAVIS

Gary F. Snyder of Truckee has been admitted to the University of California, Davis, for the fall semester, announced Registrar Howard B. Shontz.

Enrollment in the College of Agriculture, College of Letters and Science, College of Engineering, School of Veterinary Medicine, and Graduate Division is expected to be nearly 3,300, a 15 per cent increase over a year ago, Shontz said.

Snyder, a 1961 graduate of Tahoe-Truckee High School, plans to major in pre-veterinary medicine. He is the son of Sergeant and Mrs. Francis H. Snyder of Truckee.

A Girl Arrived—

Mr. and Mrs. H. J. Ciardella of Reno became the parents of a girl born July 10 at Reno.

At Art Show—

Raphael Jolly was a participant in the recent art show held at Reno.

Chamber Decides Recreation Plan In Wednesday Meet

A decision on a proposed recreational area for the fifth supervisorial district of the county is expected to be reached at the meeting of the Truckee Donner Chamber of Commerce to be held next Wednesday at noon at Donner Lake Lodge.

Chamber Manager N. F. Dolley said methods of operating the area are being explored and the one most adaptable to this region is expected to be decided upon.

While the principal purpose of the formation of the area is to attempt to purchase and operate the beach at the west end of Donner Lake, there are other projects in the offing, Dolley explained.

Superviser H. G. Loehr has indicated he will assist in the formation of the recreational area through the board of supervisors if and when the chamber reaches a decision on the most expedient methods.

Also expected to be taken up is the question of employing an engineer to make a thorough survey of the district to determine whether or not incorporation is advisable. This matter has long been delayed.

Truckee Golfers In Tournament Win

The Shadow Valley Country Club were hosts to the Grass Valley Country Club on Sunday in a return golf match. Eighty golfers participated in the contest and the Truckee club was victorious stacking up 31½ points to Grass Valley's 14½.

Norma Russell and Betty Kielhofer shared 1st place in the sweepstakes for women and Frank Gaiennie was the winner for the men.

The club served approximately 120 people at the delicious chicken barbecue including the golfers, their guests and non-golfing members of the club.

Plans are going ahead to hold a dance and midnight buffet at the club house on Saturday evening, July 29. All club members and their guests will be contacted by mail and more details of this affair will appear in next week's paper.

DISTRICT PRESIDENT TO VISIT LODGE HERE

Naomi Rebekah Lodge No. 2 will honor Gladys Clemoe of Grass Valley, district deputy president of District No. 21, July 26, she will be accompanied by Hazel Browning, deputy marshal of Grass Valley for the official visit.

Visitors from the district and other dignitaries are expected to attend the meeting which will convene at 8 p. m. Goodie Mori, noble grand presiding.

Following the ritual, Mesdames Rex Reid, E. Olsen, R. H. Slack, Robert Bick compose the committee to serve refreshments.

GREASE FIRE BRINGS OUT DEPARTMENT

Grease which caught fire in a vent at the California Cafe at 9:30 a. m. Tuesday brought out the fire department but the flames were extinguished before major damage was caused.

Deputy Sheriff Leo Zander who was on duty near the restaurant, rushed across the street to the fire station, secured an extinguisher and put out the fire. A careful inspection of the roof and ceilings was required to be sure the heat had not started a blaze adjoining the vent.

LICENSES TO WED

Marriage licenses were issued in Nevada to James J. Barnes, 27, of Truckee and Gayle George, 19, of Topeka, Kansas.

Carl R. Charles, 20, of Truckee and Jeanne Hunter, 18, of Klamath Falls, Oregon.

Leonard M. Miller of Truckee was married to Dian Emmett of Oakdale. The couple will make their home in Utah.

IN HOSPITAL

Donner Doings will not be in this issue of the Sierra Sun as Virginia O'Bear underwent surgery Tuesday morning at St. Mary's Hospital at Reno.

Ross Visits—

Mr. and Mrs. Keith Ross have been business visitors and seeing local friends here this week.

Donner Election Is Rescheduled For Technical Reason

Due to a technical error in the ballots, it has become necessary to reschedule the bond election for the Donner Summit Public Utility District.

The amount of the bond issue—$70,000—was not included in the wording of the ballots and as a result the entire election was voided and is rescheduled for August 8.

The election was held July 11 and the issue carried 34 to 2 authorizing the board of directors to sell $70,000 worth of bonds for improving the water system.

The board met Monday to reset the election and publish the notice.

In the meantime, Clyde Burkey has left the area and is no longer serving as clerk of the district, this position having been assumed by Mildred J. Coltrin.

Little Leaguers At Auburn For Game

The starting lineup for the all-star game in the Little League at Auburn today at 6 p. m. when the Tahoe Truckee boys will meet Rocklin has been announced.

The team will include Ron Walker, Cubs, first base; Howard Price, Giants, second base; Rod Hill, Red Sox, third base; Chris Latour, Red Sox, shortstop; Richard Nielson, Red Sox, left field; Ricky Riggs, Giants, center field; Don Whiteneck, Cubs, right field; Terry Boatman, Giants, catcher and Daryl Lausche, Giants, pitcher.

E. Marier will be the coach and H. Price the manager.

Practice ended Monday and the team left Smart's at 11 this morning for the game.

If the team wins today they will lodge overnight at Auburn as guests of the sheriff's department and play again tomorrow.

No scheduled games were played this week because of the tournament play but will be made up later.

BIDS ARE OPENED FOR SCHOOL BUS; FUEL OIL

The low bid for supplying a new school bus to the Tahoe Truckee Unified School District was submitted at the last meeting of the governing board by Crown Coach Corporation of Las Angeles with a figure of $6,393.87.

It was the lowest of four bids and will be accepted providing it meets all qualifications outlined in the specifications.

At the same time, the board unanimously awarded the bid for furnishing oil for the schools of the district for 1961-62 to Sheldon Oil of Suisun subject to a review by the superintendent of schools and the district attorney.

The board employed George Macomber as mechanic at the bus garage and Mrs. Diana Carroll as an elementary teacher. They accepted the resignation of Miss Nonna Hordowsky as a teacher in the high school.

USE PERMIT GRANTED FOR USED CAR LOT

The Nevada County Planning Commission last week granted a two-year land use permit to Ed Irons for the establishment of a used car lot on the main street in Gateway Park subdivision.

Several letters of protest were read at the meeting from residents of the area.

However, Cecil Edmunds, chairman of the board, explained that there was no legal way the permit could be denied since the area there is not zoned against commercial property.

TWO IN FAMILY ARE FETED ON BIRTHDAY

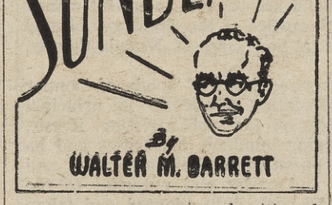

Mr. and Mrs. Clarence Osburn entertained at a family dinner party Monday evening honoring their daughter, Mrs. John Waller and her brother, Jim Osburn who share the same birth date, July 17.

A decorated cake, double in size was served at dessert time and gifts were opened by the two feted guests.

Tonsillectomy—

Ann, daughter of Mr. and Mrs. Daven Morey is recovering from a tonsillectomy performed Tuesday in the Tahoe Forest Hospital.

SUNBEAMS

By WALTER M. BARRETT

All cars are equipped with ash trays for the disposition of burning cigarettes, but there are still a lot of stupid people who fail to use them and toss the cigarettes from the windows onto the highways. From there the smouldering butts are very likely to roll into the dry grass beside the rights of way to cause a serious fire. We don't believe these people would deliberately set a fire, but the results can be just as bad. While the law prohibits throwing anything from a car, the punishment does not fit the crime and is entirely too light even at the maximum. We believe this is one of the most serious infractions of the rules of the road and that jail sentences and heavy fines are in order for those convicted.

Tahoe Robberies Are Investigated

LAKE TAHOE — Sheriff's officers at the Tahoe City sub-station of the Placer County sheriff's office are investigating a report by Harold H. Sharrow of Ward Creek, who reported that his summer home had been entered by thieves and food and beer had been removed.

Edward R. Ellison of Redwood City reported that his camping equipment was stolen from Tahoe State Park, during his absence on Saturday.

Jack Straus reported his house trailer, in Tahoe City, was burglarized.

Mike Mahaffey of Tahoe City reported to officers that some juveniles threw acid on the top of his convertible in Kings Beach, damaging it extensively.

John W. Slaphick, bread truck driver of Kings Beach reported he lost a wallet containing $500 in company receipts. He stated he later found the wallet minus the cash.

A boat belonging to Mrs. David Bohannon of Idlewild, was located down the lake from where she had reported it missing. Officers theorized that someone had been joy-riding.

Jack and Dinty's Market in Tahoe City was entered through a small ventilation opening.

Two cash registers were emptied of $35 and several bottles of liquor were taken.

ANNUAL JEEP TRIP TO TAHOE ENDS IN PICNIC

TAHOE CITY—The 275 people who completed the annual jeep ride from Auburn to Lake Tahoe gathered for a barbecue on the beach Sunday.

The group followed the old immigrant trail over the Sierra arriving at Chambers Lodge where they spent the night Saturday. Ray Schull, president of the Auburn Jeep Club, said three of the 80 vehicles entered had mechanical trouble and were either repaired or towed.

This was the 11th annual trip for the club.

TAHOE LEADS PLACER IN BUILDING FOR JUNE

Approximately two thirds of the construction in Placer County last month was done in the Lake Tahoe area of the county.

Chief Building Inspector J. R. Bell reported the total valuation was $1,003,606 compared to $981,832 during June of 1960.

VISIT HOYFJELLET

SODA SPRINGS — Guests at Hoyfjellet Lodge last week were Mr. and Mrs. Marv Ford and son, Shane. Ford is district director of the Far West Ski Association in Santa Clara County. They were on a week's vacation and enjoyed water skiing and fishing.

Pin For Peppermint—

Kathryn Barrett, a member of the Peppermints of the Sacramento Mercy Hospital Guild Juniors received her 50 hours pin for service in the hospital. The presentation to the group of young volunteer workers was made Monday at a dinner and a swimming party.

Fire Inspection Of Local Buildings Is Department Plan

The possibility that the Truckee area may be revaluated for the purpose of adjustments in the fire insurance rates was seen following a meeting of the Truckee Volunteer Fire Department Monday night.

The firemen agreed to recommend to the Truckee Fire Commission that the insurance underwriters during the next year make a complete survey of the area to determine whether the present rates can be lowered.

The recommendation will be based on improved facilities available for combating fires and a proposed inspection plan which may be inaugurated.

This inspection plan would entail the appointment of a committee of firemen to inspect buildings in the area, with the permission of the owners or tenants, and make recommendations for more adequate fire prevention methods.

The department, under the leadership of Chief Ed Androus meets twice monthly, with one meeting given over to training in all types of fire prevention and fire fighting methods.

Slight Revisions In Burning Rules

Small revisions in the strict fire control rules announced last week by Nelson Stone, fire control officer in the Truckee district and the Tahoe National Forest, were revealed Saturday.

Home incinerators, covered with quarter-inch screen may be used providing they are inspected prior to use by forest service officials and given approval. Home braziers are also permitted if handled with utmost care and all fires extinguished as soon as the cooking is completed.

The rule on garbage dumps was also temporarily suspended, Stone declared, but extreme caution is urged in burning.

As a matter of fact, Stone declared, a sharp check will be made of even the smallest fire and everyone is again asked to cooperate in this record dry season.

DOYLE IS APPOINTED AS EXPRESS AGENT

Paul A. Doyle announced this week that he has been appointed to represent the Railway Express Company here, replacing Roy Waters, who managed the local office for several years and who resigned to give full time to his duties as sergeant of the local squad of sheriff's deputies.

Doyle has been associated with the Southern Pacific for the past several years and will continue his work as operator.

He announced that the new office hours are from 9 to 11 a. m. daily, except Sundays and holidays and that he can be reached by telephone at anytime.

TWO GIRLS ARRIVE AT LOCAL HOSPITAL

Two girls arrived for Truckee families at Tahoe Forest Hospital, the first was the daughter of Mr. and Mrs. Robert Manley born July 14, weight 6 pounds, 8¾ ounces. Her first name was not given.

Mr. and Mrs. Jack de Ryk welcomed their girl July 15 selecting Joan Adele for her given names. Her initial weight was one ounce over 8 pounds.

DOVE SEASON IS SET FOR COMING HUNT

SACRAMENTO — (CNS) — The California fish and game commission has set the 1961 mourning and white-winged dove season from September 2 through October 1.

Jamie H. Smith, president, said the commission would make formal confirmation of the dates when it meets in Sacramento July 31.

PARKE DAVIS HEADS VISIT LOYND FAMILY

Twelve Parke Davis Company officials, headed by the company president, Harry J. Loynd of Detroit have been visiting here for several days, enjoying the fishing, golfing and other recreational activities of the area.

Loynd is a brother of E. L. and Walter A. Loynd of Truckee.

Three Local Girls To Compete For Nevada Maid Title

By Virginia O'Bear

Preliminary judging was held in Grass Valley Saturday evening when judges for the Maid of Nevada County contest chose ten finalists from a group of 22 beauties.

Our Truckee-Donner area should be very proud because our three entries were among the top ten. Clarita Richards, Terry Beck and Sandra Van Sickle are competing in the finals July 29 along with seven girls from Grass Valley and Nevada City, Loretta Gresham, Charlotte Russell, Carolyn Cleveland, Linda McCombs, Diane Clinton, Linda McDonald and Roberta Eisenhower.

On July 21, all 10 maids will appear at the hard top races in Grass Valley. On July 22, they will appear on the Bill Rase Show between 4 and 5 p. m. On July 29, the girls will be in a parade in Grass Valley, then have dinner with the judges and then compete that evening for the title of Miss Maid of Nevada County.

Man Caused Fire At Andover Is Held

A borate plane from Nevada City, plus the fire train from Norden and the Truckee Forest Service suppression crew last Thursday extinguished a man-made fire near Andover, five miles west of Truckee.

A half acre of brush and second growth timber were burned.

Fire Control Officer Nelson Stone said the fire was definitely set but did not discover the exact cause.

Another fire, this one caused by lightning was discovered and quickly extinguished by fire fighters and borate planes from Beckwourth and Stead near the Stateline lookout station.

Twenty forest service fire fighters and 3,500 gallons of air-dropped borate quelled a half acre forest fire last week in the Tahoe National Forest watershed about two miles north of Crystal Bay.

The lightning-set fire was located in the area of a 50-acre blaze last year that destroyed valuable watershed timber.

One official said, "any fire in that area is a potential threat."

Airplanes made four seperate borate drops before crews launched mop-up operations.

SQUAWS SLATE DATES FOR THIEVES MARKET

TAHOE CITY — The Tahoe Squaws have slated the dates of August 17, 18 and 19 for their annaul Thieves Market. This is a rummage sale of good, clean, used clothing, furniture and household articles, the profit from which is donated to charity and community projects.

The sale will be held in Tahoe Lake elemenary school between 9 a. m. and 5 p. m. daily.

Co-chairmen of the committee are Mrs. Ed Gill and Mrs. Ron Kimball. All donations will be thankfully received by club members and a pickup service will be started. Numbers to call are Tahoe City JU 3-3214, 3-3345, 3-3120; Truckee, LU 7-3517; Squaw Valley, OL 3-3842 or Kings Beach, LI 6-2139.

PETE ZYDNER STARS AS TRUCKEE UMPIRE

One of the outstanding umpires in the Little League circuit this season is Pete Zydner.

Although 75 years of age, Zydner has umpired back of the plate in all the minor games played in Truckee and then officiated on the base for the major games.

It appears no unusual task for 75 year old official to work two double headers each week, a task which would tire a much younger man.

Park Study Approved

WASHINGTON — A senate interior subcommittee last week authorized $400,000 for a national park service study of sites as possible national recreational areas. They included Lake Tahoe.

Newcomer in Hospital—

Walter Celetti is a patient at the Tahoe Forest Hospital. Mr. and Mrs. Celetti arrived here last month from Santa Cruz and are planning to make their future home in this area.

Major Fire Strikes North Of Boca As 400 Acres Burned

Fire which ravaged more than 400 acres of timber and brush land between Boca and Verdi Peak was brought under control yesterday morning after a 24-hour battle by more than 500 men.

The tiresome task of mopping up was being continued today, with many of the crews discharged but with officials maintaining a sharp watch for spot fires in the area.

The fire was spotted about noon Tuesday a mile and a half northeast of Boca reservoir and fanned by a stiff west wind spread rapidly in the tinder dry woods. Crews of fire fighters were immediately organized and dispatched to the scene under the personal direction of Truckee District Ranger Roy Saarni and Fire Control Officer Nelson Stone.

Six borate tanker planes and two helicopters were rushed to the fire from Nevada City and Beckwourth, continuing their work until dusk Tuesday night and returning Wednesday morning to resume the difficult task. Six bulldozers were also thrown into the line in a desperate attempt to stop the onrushing flames.

Dense smoke poured into Verdi and Reno, bringing memories of the tragic 39,000-acre Donner Ridge fire last year.

Saarni said the fire apparently originated from a "lightning sleeper" which had been smoldering for eight or nine days and which was fanned into flame by the wind Tuesday morning.

At the height of the fire, more than 500 men were on the lines, including 100 San Quentin prison-

(Continued on Page 8)

Convict Is Injured Fighting Boca Fire

A San Quentin inmate, one of 100 engaged in fighting the Boca fire this week, was taken to the Tahoe Forest Hospital Wednesday with a broken neck.

The man, whose name and address were withheld by authorities was on the fireline, according to the report, when he saw a burning log rolling toward him. He leaped over another log to escape and the leg of his trousers caught on a snag, causing him to fall over the log onto his head.

He suffered a deep gash in the top of his head as well as the fractured vertebrae.

MRS. HUGH BROWN IS WED TO C. V. OSBURN

The Emmanuel Episcopal Church at Grass Valley was the setting Sunday evening for the simple and charming ceremony which united Mrs. Hugh Brown and Charles Osburn in marriage.

The bride who was attended by her daughter, Mrs. Charles Fink, chose a suit of light beige linen and lace, accented with apricot and brown accessories.

Charles Whittaker, brother-in-law of the bridegroom acted as best man and Donna Huse carried the bride's ring to the altar.

Vernon Huse and Charles Fink served as ushers. A reception followed the nuptial service in Mrs. Osburn's home at Grass Valley.

Mr. and Mrs. Osburn will divide their time, after a trip, between their places in Truckee and Grass Valley as indicated by their businesses and the seasons.

NO CHANGE IS SEEN IN PLACER TAX RATE

AUBURN—The county board of supervisors adopted a $7,020,024 preliminary budget which, if finally approved, will keep the basic tax rate at $1.90.

Final budget hearings are scheduled to begin on August 22.

The supervisors in authorizing Auditor William Stephens to prepare copies of the preliminary budget indicated some changes will be made in the final budget but it is not expected to show in the tax rate.

The 1961-62 preliminary budget is an approximate one per cent increase over the 1960-61 budget.

LOCAL PATIENT HELD ON PAROLE CHARGES

John E. Ward, Truckee construction worker, is being detained in the Nevada County jail on a hold warrant from Sacramento for violation of parole. Ward was transferred to the detention facility from the Tahoe Forest Hospital where he was recovering from injuries received from a Donner Summit auto accident.

COMPACT MEETING IN RENO IS CANCELLED

The meeting of the Joint California-Nevada Interstate Compact Commission scheduled for Wednesday and Thursday, July 26 and 27 in Reno is cancelled. Cancellation was requested by E. A. Muth, chairman of the Nevada Commission and consented to by A. M. Barton, chairman of the California Commission.

ORDINANCE NO. 67
of
DONNER SUMMIT PUBLIC UTILITY DISTRICT

Repealing former Ordinance No. 66 and calling a Special Election in said District for the Purpose of Submitting to the Electors of said District the Proposition as to Whether a Bonded Indebtedness of said District shall be Incurred for the Acquisition, Construction and Completion of Certain Utility Works and Facilities for the Acquisition, Completion, Extension and Improvement of the Water Utility Works and Facilities of said District, including Certain incidental Costs, Engineering, Inspection and Legal Fees, Costs of Bond Election, Bond issuance, and Bond Interest During Construction, and Subsequent Thereto, as Specified; Declaring the Estimated Costs thereof; the Method and Manner of Payment Therefor, and the Maximum Rate of Interest to be Paid Thereon; Prescribing the Form of Bonds and Coupons; Making Provision for Levy and Collection of Taxes; Fixing Date of Special Election, Manner of Holding the Same, Establishing Election Precinct, Designating Polling Place, and Appointing Election Board, and Providing for Election Notices.

WHEREAS, the Board of Directors of Donner Summit Public Utility District did heretofore, on the 6th day of December, 1960, duly pass and adopt its Resolution No. 60-3, determining that public interest and necessity demand the acquisition, construction and completion of utility works and facilities and expansion and improvement in the water collection and distribution facilities of the District, and the improvement of the condition of water, extension and expansion of water lines, the additional related facilities and appurtenances, and thereafter to duly cause plans and specifications, estimates of cost of acquisition, construction and completion of said utility works, facilities and improvements and additions, and the estimates of revenue to be derived therefrom as supplemented to be prepared, filed and approved by this Board of Directors, and determine that the cost thereof, including costs incidental thereto or connected therewith, engineering, inspection and legal fees, costs of bond election and bond issuance, bond interest to accrue during construction and for a period not exceeding twelve (12) months after completion of construction, so far exceeds the operating revenues of the District, in addition to its other necessary expenses, as to render it necessary to incur a bonded indebtedness therefor; and further duly formulated a proposition for submission to the electors of said District of incurring a bonded indebtedness for financing the acquisition, construction and completion of the foregoing utility works and facilities and addition and improvements thereto, and the payment of the costs, fees, charges and interest specified above;

NOW, THEREFORE, BE IT ENACTED by the Board of Directors of Donner Summit Public Utility District as Follows:

Section 1: That a special district election is hereby ordered and shall be held in Donner Summit Public Utility District on Tuesday, the 8th day of August, 1961, at which said election there shall be submitted to all persons possessing all the requirements of electors under general election laws of the State of California, and who are qualified electors residing within said utility district, the question of incurring a bonded indebtedness of said District for the objects and purposes set forth in the following proposition, to wit:

PROPOSITION: Shall Donner Summit Public Utility District incur a general obligation bonded indebtedness, in the amount of $70,000.00, bearing interest at a rate not to exceed six per cent per annum, payable annually, the first year, and semi-annually thereafter, to finance and pay the costs of acquisition, construction, and completion of water works, utilities and facilities, and additions, improvements, and modifications to facilities and works for the collection, transportation, and distribution of water, the extension of certain water lines, and addition of related facilities and appurtenances, together with lands, easements, rights of way, property or structures necessary or convenient thereto, and the payment of costs incidental thereto, or connected therewith, including engineering, inspection and legal fees, costs of bond election and bond issuance, bond interest estimated to accrue during construction, and for a period not to exceed twelve months after completion of construction?

Section 2: That the estimated cost of the acquisition, construction and completion by said District of the water works, utilities and additions, improvements and modifications to the facilities and works, for collection and transportation and distribution of water, the extension of certain water lines, and addition of related facilities and appurtenances connected therewith, including costs incidental thereto, engineering, and legal fees, cost of bond election and bond issuance and of bond interest to accrue during construction and for a period of not to exceed twelve (12) months after completion of construction, as set forth in said Propostion, is Seventy Thousand Dollars ($70,000.00).

Section 3: That the proposed method and manner of payment for the acquisition, construction and completion of the proposed utility works, facilities, additions, improvements, and modifications, including other fees, charges, costs and accruing interest as noted above, is from the proceeds of sale of said bonds of said District to be issued if said bonds in the amount set forth in said Proposition are duly authorized by the affirmative vote of at least two-thirds of the electors voting at said special election upon the proposition for the issuance of said bonds as set forth in Section 1 hereof.

Section 4: That the sum of $70,000.00 is the amount of bonded indebtedness necessary to finance and pay for the acquisition, construction and completion of the water works, utilities, facilities and additions, improvements and modifications to said facilities and works as hereinabove provided, including other costs, fees and charges and interest noted above, and as specified in the Proposition set forth in Section 1 hereof, and the rate of interest to be paid on said bonds shall not exceed six per cent (6%) per annum. Said bonds shall be known as:

"DONNER SUMMIT PUBLIC UTILITY DISTRICT 1961 WATER BONDS" and shall be sold in accordance with law by said Board of Directors at such times and in such manner as said Board shall determine, but shall not be sold at less than par and accrued interest. Said bonds shall be negotiable in form and of the character known as serial, and shall be 70 in number, numbered consecutively from 1 to 70, inclusive, and of the denomination of $1,000.00 each.

All of said bonds shall bear interest from their date until paid, at the rate of or rates designated by said Board of Directors at the time of sale of said bonds, but not to exceed six per cent per annum, payable annually the first year, and semi-annually thereafter. Such interest shall be evidenced by coupons attached to each bond and each of said coupons shall represent six months' interest on the bond to which it is attached, except that the first of such coupons shall represent twelve months' interest on the bond to which it is attached. Both principal and interest on said bonds shall be payable at the office of the Treasurer of Donner Summit Public Utility District in lawful money of the United States of America, and shall be registerable only as to principal and interest.

Said bonds shall bear such date as may be fixed by the Board of Directors and shall mature and be payable, in consecutive numerical order from lower to higher, as follows, to wit:

$1,000.00 principal amount in each of the years from two to three, both inclusive, after their date; and
$2,000.00 principal amount in each of the years from four to seven, both inclusive after their date; and
$3,000.00 principal amount in each of the years from eight to twelve, both inclusive, after their date; and
$4,000.00 principal amount in each of the years from thirteen to seventeen, both inclusive, after their date; and
$5,000.00 principal amount in each of the years from eighteen to twenty-two, both inclusive, after their date.

Bonds numbered 1 to 50, both inclusive, of said issue maturing by their terms on or before eighteen (18) years after their date, are not subject to call or redemption prior to their fixed maturity dates. Bonds numbered 51 to 70, both inclusive, of said issue maturing by their terms on or after nineteen (19) years from and after their date, are subject to call and redemption at the option of said District as a whole or in part, in inverse numerical order from higher to lower, on or after five (5) years from their date (but not prior thereto), and on any interest payment date thereafter prior to their fixed maturity date or dates, at the principal amount thereof and accrued interest thereon to the date of redemption, plus a premium of the following percentage of such principal amount, if redeemed as follows:

Percentage	If Redeemed on or After	And Prior to
3%	Five years from date	Seven years from date
2%	Seven years from date	Ten years from date
1%	Ten years from date	Fifteen years from date
No premium	Fifteen years from date	Maturity

Notice of such redemption shall be given by publication of such notice once a week for two successive calendar weeks in a newspaper of general circulation, printed and published in the county in which said District is located, the first publication of which shall be at least thirty (30), but not more than sixty (60) days, prior to the date fixed for such redemption; if said District shall have duly published notice of such redemption and shall have provided funds available for the payment of the principal of and interest and premium, if any, on the bonds so called for redemption, interest on such bonds shall thereafter cease.

Section 5: That said bonds shall be general obligation bonds of said District and shall be in substantially the following form, the blanks in said bonds and in the form of coupon, set forth below, to be filled in with appropriate words or figures, namely:

UNITED STATES OF AMERICA
STATE OF CALIFORNIA
COUNTY OF NEVADA

No.————DONNER SUMMIT PUBLIC UTILITY DISTRICT $1,000.00

1961 WATER BONDS

The Donner Summit Public Utility District a public utility district duly organized and existing under the Constitution and laws of the State of California, hereby acknowledges itself indebted, and for value received, promises to pay to bearer (or, if this bond be registered, to the registered holder thereof) on the day of, 19....., ONE THOUSAND DOLLARS ($1,000.00), together with interest thereon at the rate of (.....) per cent annum, until payment of said principal sum in full, payable annually the first year on the day of....., 19...., and semi-annually on and of each year thereafter.

Unless this bond is registered, such interest, prior to maturity, shall be payable only on presentation and surrender of the proper interest coupons attached hereto, as they respectively become due Both principal and interest on this bond are payable in lawful money of the United States of America, at the office of the Treasurer of said Donner Summit Public Utility District, at Soda Springs, Nevada County, California.

This bond is one of a duly authorized issue of bonds of Donner Summit Public Utility District, aggregating $70,000.00 in principal amount, all of like tenor and date (except for such variation, if any, as may be required to designate varying numbers, maturities and interest rate) and is issued under and pursuant to the Constitution and Statutes of the State of California, and under and pursuant to the ordinances and proceedings of said District, duly adopted and taken and a vote and assent of more than two-thirds of all qualified electors residing in said District and voting at a special district election duly called and held for that purpose.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and to be performed, precedent to and in the issuance of this bond, have happened and been performed in due time, form and manner as required by law, and that the amount of this bond, together with all other indebtedness of said District, does not exceed any limit prescribed by the Constitution or Statutes of this State, and that provision has been made as required by the Constitution and Statutes of this State, for the collection of an annual tax sufficient to pay the principal of and interest on this bond, as the same become due. The full faith and credit of said District are hereby pledged for the punctual payment of the principal and interest of this bond.

This bond constitutes a general obligation of the District and may be registered in the manner provided by law, and thereafter the principal hereof and interest hereon shall be payable only to such registered owner.

Bonds numbered 1 to 50, both inclusive, of said issue, maturing by their terms and before, are not subject to call or redemption prior to their fixed maturity dates, Bonds numbered 51 to 70, both inclusive, of said issue, maturing by their terms on or after, are subject to call and redemption, at the option of the District as a whole or in part, in inverse numerical order from higher or lower on (but not prior there), and on any interest payment date thereafter prior to their fixed maturity date or dates, at the principal amount thereof and accrued interest thereon to the date, of redemption, plus a premium of the following percentage of said principal amount, if redeemed as follows:

Percentage	If redeemed on or After	And Prior Thereto
3%	19....	19....
2%	19....	19....
1%	19....	19....
No premium	19....	Maturity

Notice of such redemption shall be given by publication of such notice once a week for two (2) successive calendar weeks in a newspaper of general circulation printed and published within the county in which said District is located, the first publication of which shall be at least thirty (30) but not more than sixty (60) days prior to the date fixed for such redemption. After the date fixed for such redemption, if said District shall have duly published notice of such redemption, and shall have provided funds available for the payment of the principal of and interest and premium, if any, on the bonds so called for redemption, interest on such bonds shall thereafter cease.

IN WITNESS WHEREOF, the Board of Directors of Donner Summit Public Utility District has caused this bond to be signed by the President of the Board of Directors of the District and countersigned by the Clerk, and has caused the seal of said District to be attached hereto and the interest coupons attached hereto to be signed by the facsimile signature of its Treasurer and this bond to be dated the day of, 19.....

.....
President of the Board of Directors
of Donner Summit Public Utility
District

COUNTERSIGNED

.....
Clerk of Donner Summit Public Utility
District.

The interest coupons shall be in substantially the following form:

Coupon No.

On the day of, 19....., Donner Summit Public Utility District will (unless the within mentioned bond be registered) pay to bearer at the office of the Treasurer of said District, at Soda Springs, Nevada County, California, ...
..... Dollars ($.....) in lawful money of the United States of America, being months' interest then due on its 1961 water bond No. dated, 19.....

.....
Treasurer
Donner Summit Public Utility District

Section 6: The Board of Directors of said District shall prescribe, revise and collect such rates and other charges in connection with the operation of its water works, utilities and facilities as will produce revenue, income, receipts and profits sufficient to pay the principal of and interest on said bonds as they become due and payable. The Board of Directors of said District, unless funds are otherwise available from revenues, shall annually levy and collect and cause to be levied and collected a tax sufficient to pay the annual interest on such bonds, and also to pay such part of the principal as will fall due within the succeeding year, and as may be necessary to provide for the sinking fund payments of the next succeeding fiscal year.

Section 7: That said special election shall be held and conducted and votes thereof canvassed, the returns thereof made, the results thereof ascertained and determined, as herein provided; and in all particulars as prescribed by this ordinance, and said election shall be held according to the provisions of law governing elections in the District

Section 8: That the polls at the polling place hereinafter designated shall be opened at the hour of 7:00 o'clock A. M. of said election day and shall remain open continuously thereafter until the hour of 7:00 o'clock P. M. of said election day, when the polls shall be closed (except as provided in Section 5734 of the Elections Code), and the election officers shall thereupon proceed to canvass the ballots cast thereat.

Section 9: That for the conduct of said special election in said District, said Donner Summit Public Utility District shall constitute one special election precinct comprising all of the territory within said District, and the election officers shall be one inspector, one judge and one clerk. The polling place therefor and the election officers hereby appointed to conduct said special election are as follows:

Polling Place: Donner Summit Lodge, Soda Springs, Nevada County, California;
Election Officers: Inspector: George Gangler
Judge: Eleanor Johanson
Clerk: Betty Airo

Section 10: That the ballots to be used at said District special election shall be in substantially the following form, to wit:

No.	(This number shall be torn off by inspector and handed to the voter)	

OFFICIAL BALLOT
Donner Summit Public Utility District
Nevada County, California
Special Bond Election

August 8, 1961

INSTRUCTIONS TO VOTERS: To vote on any proposition stamp a cross (X) in the voting square after the word "yes", or after the word "no." All marks except the cross (X) are forbidden. All distinguishing marks or erasures are forbidden and make the ballot void. If you wrongly stamp, tear or deface this ballot return it to the Inspector of Election and obtain another. On absent voter's ballots mark a cross (X) with pen or pencil.

PROPOSITION: Shall Donner Summit Public Utility District incur a general obligation bonded indebtedness, in the amount of $70,000.00, bearing interest at a rate not to exceed six per cent per annum, payable annually, the first year, and semi-annually thereafter, to finance and pay the costs of acquisition, construction, and completion of water works, utilities and facilities, and additions, improvements, and modifications to facilities and works for the collection, transportation, and distribution of water, the extension of certain water lines, and addition of related facilities and appurtenances, together with lands, easements, rights of way, property or structures necessary or convenient thereto, and the payment of costs incidental thereto, or connected therewith, including engineering, inspection and legal fees, costs of bond election and bond issuance, bond interest estimated to accrue during construction, and for a period not to exceed twelve months after completion of construction?	Yes	
	No	

Section 11: That each voter for said proposition hereby submitted and for incurring said bonded indebtedness set forth in said proposition shall stamp a cross (X) in the blank space opposite the word "Yes" on the ballot to the right of said proposition, and to vote against said proposition and against incurring said indebtedness, shall stamp a cross (X) in the blank space opposition the word "No" on the ballot to the right of said proposition.

Section 12: That the returns of said election shall be directed to the Clerk of said District and shall be immediately delivered by the Inspector or some other safe and responsible carrier designated by said Inspector to said Clerk, and the ballots shall be kept unopened for at least six (6) months. This Board of Directors shall meet at its usual place of meeting on Monday, August 14th, 1961, being the first Monday after said election, at the hour of 8:00 o'clock P. M., to canvass the returns and declare the results of said election.

Section 13: That the Clerk of Donner Summit Public Utility District is hereby directed, upon the passage and adoption of this Ordinance, to publish the same once a week for two (2) successive weeks in the Sierra Sun, a weekly newspaper of general circulation printed and published in the judicial district wherein said utility district is situated, and said Clerk is further directed to post copies of this Ordinance at three (3) public Places in said District at least one (1) week prior to the expiration of thirty (30) days after the passage of this Ordinance. No other notice of the election hereby called need be given.

Section 14: This Ordinance shall take effect as an ordinance thirty (30) days after its passage, but prior thereto shall constitute notice of said special election hereby called.

Section 15: That former Ordinance No. 66 shall be and the same is hereby repealed.

PASSED AND ADOPTED this 17th day of July, 1961, at a regular meeting of the Board of Directors of Donner Summit Public Utility District by the following vate:

AYES: Williamson, Cannon
NOES: 0
.....
ABSENT: Pratt
Max D. Williamson
President of Board of Directors of
Donner Summit Public Utility District

ATTEST:
Mildred J. Coltrin
Clerk of Donner Summit Public Utility District

CERTIFICATION

I, Mildred J. Coltrin, Clerk of Donner Summit Public Utility District, County of Nevada, State of California, do hereby certify that the foregoing is a full, true and correct copy of an Ordinance duly passed and adopted by the Board of Directors of Donner Summit Public Utility District, at a meeting duly called and held to canvass the votes cast at said special election, said meeting being held at Soda Springs in Donner Summit Public Utility District, County of Nevada, State of California, on the 17th day of July, 1961, said Ordinance being duly passed and adopted by the following vote:

AYES: Williamson, Cannon
NOES: None
ABSENT: Pratt

And I do further certify that this said Ordinance has been spread upon the Minutes of said Board of Directors, and that the same is now in full force and effect, and has not been amended nor rescinded.

WITNESS my hand and the Seal of said District this 17th day of July, 1961.

Mildred J. Coltrin,
Clerk—Donner Summit Public Utility District.

AFFIDAVIT OF POSTING

STATE OF CALIFORNIA,)
) ss.
County of Nevada)

Mildred J. Coltrin, being first duly sworn, deposes and says: That she is a citizen of the United States, over the age of twenty-one years, and Clerk of the Donner Summit Public Utility District;

That pursuant to direction and authorization of the Board of Directors of said District, she posted three copies of Ordinance Number 67, annexed hereto, marked Exhibit "A", on the 18th day of July, 1961, in each of the three following public places within said Donner Summit Public Utility District:

1. Donner Summit Lodge
2. U. S. Post Office
3. Donner Trail Grocery

Mildred J. Coltrin

Subscribed and sworn to before me
this 19th day of July, 1961.

RUSTY WARREN NOW WITH NEVADA LODGE

Rusty Warren, billed as the "SINsational Singer of Saucy Songs" takes the entertainment spotlight in the Nevada Room of the Nevada Lodge, famous resort-hotel-casino at the north end of Lake Tahoe.

A vivacious redhead with a raucus, risque patter, Rusty opened July 14. Backing up her smokey, sultry ballads are Al Donahue and his Orchestra. Billed as the orchestra with "Low Down Rhythm in a Top Hat" the Donahue aggregation is composed of well-known musicians from all over northern California.

Miss Warren, noted for the character and content of her songs, sings with her own "no-holds-barred" style — as witness anyone who has heard her in person or on her latest LP disc from Jubilee entitled "Songs for Sinners."

SUPERVISORS ACCEPT TENTATIVE BUDGET

Among their major actions last week, the Nevada County Board of Supervisors accepted the 1961-62 preliminary budget for $3,601,019; received the assessment roll from Assessor Charles Kitts for a combined secured and unsecured total of $28,411,220, appointed an agricultural commissioner and signed the local health services contract with the state department of health.

In accepting the preliminary budget, copies of which were available, the supervisors set the date of July 17 for a public hearing on this budget, after which they will adopt the final budget. This may take place on the same day. Two schedules for financing of the county budget, the first which involves a tax rate of $2.20 and the second which involves a tax rate of $2.08, the same tax rate as 1960-61, were submitted by County Auditor John T. Trauner.

John A. Phillips of Concord, one of three men recommended for the position of agricultural commissioner and sealer of weights for Nevada County, was appointed Monday.

SALES TAX CHANGE ON SEPTEMBER 15TH

California's sales tax brackets will change on September 15 under a law passed recently by the legislature to make the charges more equitable.

At present merchants follow a tax schedule which is not set by law but which has the blessing of the state board of equalization.

The new table is mandatory and its proponents claim it will prevent retailers from collecting more in tax than they have to pay the state.

Accompanying the new tax schedule is a regulation which states a customer may insist that all taxable items be added up and the tax applied to the total.

KEEP OUR FORESTS GREEN

ENTRIES FOR FAIR IN COUNTY WILL CLOSE

NEVADA CITY—Now is the time to enter exhibits for the 1961 Nevada County Fair. Entries close for the following divisions on the 28th of July—arts and crafts, painting, photography, lumber, and minerals and mining. You can mail entries but do not need to bring the articles you wish to desplay in until August 22 or 23rd.

The Fair grounds has a wonderful display of over 3000 petunias in beautiful colors as well as the other flowers planted to make the fair truly "the most beautiful fairgrounds in California, landscaped by nature." The Fair will be August 24, 25, 26 and 27.

The buildings have been freshened with a new coat of paint, the new concession building is almost completed. This building is quite unique in that the three kitchens are in the center area with the dining areas extending out between the trees in three directions. This plan was made especially to avoid our cutting down any of the pine trees. The walkways and roads have been black-topped as has the floor in the floriculture building to keep the dust to a minimum.

PATROL COOPERATES IN FIGHT ON FIRES

California Highway patrolmen will cooperate in the critical battle to prevent forest fires by vigorously enforcing the law which prohibits throwing lighted materials from vehicles, Commissioner Bradford M. Crittenden said.

"Persons who discard cigarettes, matches or other lighted material while they are driving constitute a severe menace to California forests and fields, which have been turned to tenderboxes by the hot, dry weather," he said.

"The vehicle code prohibits throwing any flaming or glowing substance from a vehicle or upon any roadway. Patrolmen will be particularly watchful for this violation, especially during these months of highest fire danger."

Commissioner Crittenden also expressed the hope that each motorist, recognizing the enherent danger in violating this section, would "assume the resposibility of voluntarily complying with the law to prevent the occurrence of these destructive fires."

VACATION DRIVING WARINGS ARE ISSUED

You can drive to and from work all year and never meet a number of situations which will crop up during a two-week motoring vacation, California Highway Patrol Commissioner Bradford M. Crittenden reminded motorists this week.

"On a vacation trip you will make many more stops than you are accustomed to, such as at view points, eating places, service stations or lodging facilities. Signal your intention to turn off, and when you park, make sure your vehicle is clear of the roadway.

"Every stop means a start. When you pull back on the road, check to the rear for approaching vehicles. If you are driving through areas previously unfamiliar to you, remember that the roads also will be unfamiliar. Allow for this by easing off on your speed," he said.

"Road signing also assumes more importance for the vacationer. Make it a point to keep track of signs, so you will be in correct position if a turn is required.

"Finally, vacation trips often put your car through extremes of heat. Have your radiator and battery checked frequently, and cruise at reduced speeds during the warm afternoon hours when tires are most likely to overheat," the commissioner said.

NOTICE OF HEARING

VARIANCE FOR COMMUNITY SIGN
TAHOE VISTA

Notice is hereby given by the Placer County Planning Commission that a public hearing will be held by said Commission on Friday, July 28, 1961, in the Supervisors' Room, Court House, Auburn, California, at the hour of 10:30 a. m. to consider the application of North Tahoe Transit Mix Company for a variance to allow erection of a directional sign to serve as a multipurpose sign for all businesses on National Avenue on property other than where the individual businesses are located, as required by Ordinance 108-B. Said variance is being requested on the following described property; hardship being businesses are not located on a through street and are difficult to locate from the highway:

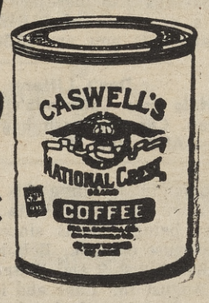

Northwest corner of National Avenue and Highway 89, Tahoe Vista.

At said hearing all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

WHAT'S DOING

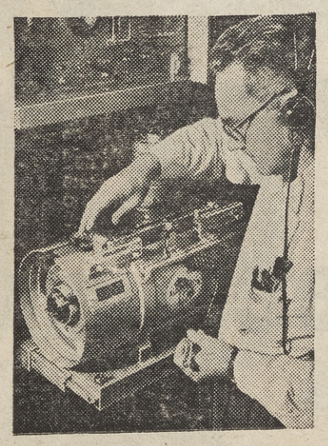

L. R. deGallery, your Telephone Manager in Tahoe City

The Pacific Telephone Business Office in Tahoe City takes pleasure in introducing, Mr. Bob Larsen, as our new representative in this area. Mr. Larsen will be handling all of our subscribers who want switchboard equipment or complex equipment such as two or three lines connected to a rotary ringing system. Up to this present time all of this type of equipment has been handled by representatives from Sacramento.

It will be a real pleasure to have Bob Larsen as our first year round representative. Bob has spent 13 years with the Pacific Telephone Co., most of this time being spent in the Oakland and San Francisco Office. Bob's wife, Susan, and their two children, five year old Lynn and three year old Alan, will be living in South Tahoe. Any of our subscribers who would like to have Bob Larsen contact them may call the Tahoe City Business Office and our representative will be happy to make the arrangements.

* * *

Is this the world's most popular machine? You'd think so, judging by the number of phone calls it gets—more than 100,000 daily!

It's called an Audichron. Just dial "time service" and it will give you the correct time every ten-seconds, of every minute, of every hour. In just one day, this adds up to 8640 announcements. Best of all, this remarkable machine never gets tired.

The Audichron is completely automatic. It's regularly checked with Naval Observatory Time for accuracy. Should it stop operating for any reason, there's a standby machine ready to take over immediately.

Providing the "time-service" is another way telephone people work constantly to make your telephone more valuable to you.

* * * * *

Beauty is more than skin-deep, to the people who make your telephone. I understand that they buy cosmetic chemicals in large, economy-sized truckloads.

Seems that talcum powder adds strength to plastics used in telephone parts. An industrial blend of rouge is used to polish metal parts to high lustre and close tolerances.

Peroxide—used when tinting hair—is also used by phone makers in tin plating solutions.

Paraffin, an ingredient found in lipstick, is used as a moisture-proof agent in underground telephone cables.

And, certain ingredients used in cold creams, skin softeners, soap and nail polish lacquers help give your telephone long life and lasting beauty.

Pacific Telephone

Texas, under the terms of annexation to the United States in 1845, may divide itself into five states if it so desires.

The San Diego Zoological Garden has 3,700 animals, more than any other on display elsewhere in the world.

Mississippi Earthquakes

What were probably the greatest earthquakes ever experienced in the U. S. occurred in the Mississippi Valley in 1811 and 1812, long before the modern seismograph was developed.

NORTH TAHOE BRIEFS...

. . . By BETHEL

Congratulations to our newest citizen. Pierre Bonvin of Incline Beach received his citizenship papers on Wednesday in Reno. Formerly of southwest Switzerland he became a citizen in three years as wife, Adeline is an American citizen.

Doug and Harlen Hansen of Van Nuys and North Hollywood were guests of Chuck and Marj Walker of Tahoe Vista the past week.

Selby Calkins family of Reno have moved to Tahoe Vista until their new home at Incline Beach is completed. Hi neighbors.

Lake Tahoe-Sierra Chamber of Commerce board of directors and advisory council met Thursday, July 20 at Don Huff's Homewood Resort at Homewood for noon luncheon business meeting.

A week of minor mishaps—Jeffry Hoffman of Tahoe Vista, 7 year old son of Chris and Tom, had four stitches taken above his eye to close a cut made when a swing hit him.

Not to be outdone — neighbor Jimmy Anderson, son of Dick and Mille, hit his head on a table and he too had four stitches taken to close the cut.

Brother, Johnny Hoffman, 4 years old, then proceeded to fall and cut his chin. More fortunate however as no stitches were taken.

Poor Richard—Ziegler, that is. Horseback riding when a rock caused the horse to stumble, throwing Richard. Richard had seven stitches taken to close his wounds—the horse is taking three weeks vacation to recover, and our sympathy is extended to both Richard and his horse.

Eve Hulbert of Weimar and friend, Kellie Train of Auburn are house guests of Noel and Peggy Hulbert at Kings Beach. Eve is Noels sister.

Professor Kay Duffy of Reno was a houseguest of Marjorie da Costa of Tahoe Vista over the weekend.

Betty Stoddard and children, Susan and Dick of Reno were guests at Tahoe Vista of Bethel Van Tassel.

Happy birthday on July 12, George Phillips of Sandy Beach. Celebrated with friends, Messrs. and Mesdames Dan Seeley, Rigg Rose, Paul S. Bent, Sidney Bent, Frank Schmittgen, at the Christmas Tree. Additional dinners were at the North Shore Club with Mr. and Mrs. Lee Meridith of Piedmont and Mr. and Mrs. Max Gerfen of Redwood City also at the Christmas Tree.

Friends will be happy to know of the recent marriage of Kenneth Lavery of Agate Bay and Charlotte Bohn of Roseville. Kenny and Charlotte were married in Virginia City and are making their home at Agate Bay. Dick and Ruth Lavery, Kenny's parents, are happy to have gained a daughter instead of losing a son. Congratulations.

Archie and Jean Jett of San Carlos were married June 24 at Los Gatos where Archie operated the Lyndon Hotel. Jean taught at the Foothill School in Saratoga. After a honeymoon at Glenbrook the Mulls moved to Tahoe Vista where they will be permanent — year 'round residents. Archie has the Prudential Life Insurance Agency and General Insurance office. Welcome to Tahoe.

Prebirthday party was celebrated by Pieter Van Tassel of Tahoe Vista and Bobbie Taylor of Diablo.

Bobbie is spending his summer vacation at Tahoe Vista and the boys being friends since birth—was cause enough. Bobbie will be eight August 2 and Pieter will be 10 August 15. Cake and ice cream was shared with brother, Eddie Taylor, 11 and mothers, Em Taylor (?) and Bethel Van Tassell. (I'll never tell).

New residents and Neighbors in Tahoe Vista are Mr. and Mrs. Archie Mull.

"Riviera Holiday"—the annual

(Continued on Page 5)

COUNTY HAS $326,786 FROM HIGHWAY TAX

SACRAMENTO — (CNS) — Nevada county received $326,786 in highway users tax apportionments during the fiscal year ended June 30, State Controller Alan Cranston reported today.

A total of $434,290,501 was apportioned from the fund, including $87,487,516 to the counties. Of that amount, $2,638,530 was deducted for services, leaving the net apportionment to counties at $84,848,985.

The largest apportionment from the total fund, $311,591,763, went to the state highway fund for expenditure on highways. Another $35,211,222 was for distribution to cities.

The principal source of revenue for the highway users tax fund is the six-cent gasoline tax. Of the six cents, four goes for highways, 1 ⅜ cents goes to the counties and the other ⅝ cent to the cities.

NEW HIGH RECORD IN HOME FINANCING

Paul Claiborne, president of Placer Savings and Loan Association of Auburn, announced loans for home financing, including home lending and purchases, had reached a new high at Placer Savings for the six month period ending June 30th. One hundred eighty-seven loans were made for a total of $1,643,000.

Savings also increased, $709,000 to a new high of $8,046,000 and total assets now are $9,566,305.

TAHOE BRIEFS
(Continued From Page 4)

fashion show sponsored by the Women's Club of North Tahoe, Riviera Resort Clothes Shops, and held at the North Shore Club was pronounced an outstanding success. The club was entirely reserved for the affair.

The show was in three parts—Riviera "Beachniks"- showing resort and bathing attire, Riviera "Summer Breezeway" showing town casuals and summer coolers, and Riviera "From Dusk to Sun Up," showing glamour at its best, gowns and furs.

Unusual and surprise touch of the show was the panel of three anonymous judges for the best dressed guest. Bette Whelan of Carson City won the beach bag given by the Riviera Shop for this honor.

Among the Reno guests were Ella Edwards, Betty Stoddard of Channel 8, Alice Sanders, Lee Pickett, Dr. Kay Duffy, Elva Jones, Shirley Richards, Sherry Ann Wagner, Miss Nevada of 1961, and mother, Mrs. Wagner, Laverne Bernard.

Among guests from the south shore were Mrs. Harvey Gross, Mrs. Neil Olsen, Mrs. Walter Brown, Mrs. Jim Humphries and Mrs. Ray and daughters in law.

Mrs. Milly Lyons of Reno was a guest of daughters, Virginia Flagg of Tahoe Vista.

Guests of Florence Murphy of Crystal Bay were Cherry Luce, Kay Menante, Bernice Guizti, Bernice Lehman, Inez Jordan, Jenny Lehman, Dorothy Hinds, Fanny Austin, Frances Milney and the hostess. A beautiful flower arrangement, place cards completed the attractive table.

At the president's table were Pearl Kientz, president of the Women's Club of North Tahoe; Jetta Steward, vice president; Mabel Coulter, treasurer; Bethel Van Tassel, chairman; Marjorie da Costa, commentator; and guests, Ceta L. Hooper, Jerri Rayburn and Emmajean Hume.

Making a colorful appearance at the fashion show was Jetta of Jetta's Coiffures. Attired in a purple flowered cotton with matching belt and shoes — it was topped by gorgeous purple hair.

Models at the show were Jacquie Black, coordinator, Marilyn Boatman, Audrey Brehler, Ella Edwards, Helen Ehlers, Virginia Flagg, Mary K. Malley, Mary T. Malley, Virginia Parsons, Betty Stoddard, Jean Van Wetter, Renie Van Burren, Ruth West and Sherry Ann Wagner, Miss Nevada 1961.

Music was courtesy of Tony Rose, decor by Lorraine Ducharme of House of Ducharme, coiffures by Jetta's Coiffures, program covers, Pan American Airways, Soroptimist Club of Reno for Miss Nevada's appearance, general chairman, Bethel Van Tassel, and Women's Club President Pearl Kientz, all for the benefit of the Tahoe Forest Hospital at Truckee.

"A poor life this if, full of care,
We have no time to stand and stare." William Henry Davies.

So as this is written, thoughts are at the North Shore Art Center located at the Tahoe Vista Lodge and Boat Harbor. One of the most exciting, interesting, and needed for our cultural satisfaction is this new shop.

Opening on Saturday, the studio is an indoor gallery of art collections palate knife, oils, collages, serigraphs, water colors, jewelry, metal and wood sculpture and ceramics. The outdoor patio is beautifullly done with tables and chairs, in black decor, with native black rocks, driftwood, evergreens, art objects, and—go see it.

Artists whose work is on exhibition are Jack Foote, Berkeley; Eleanor and Robert Elsocht, Oakland; Cliff Reynolds, Berkeley; Jonothan Batchelor, Canyon; Ruth Pedersen, Castor Valley; Marilyn Briggs, Hawaii; water colors: Dorothy Webb, Tahoe Vista; metal sculpture and jewelry: Don and Jerry Yuen, Oakland; jewelry: James Deane, Berkeley. Mrs. Deane is Persian and the jewelry created by Mr. D. shows her influence in color, design and composition; potters: Bob Meinhardt, Walnut Creek; Bob Arneson, Oakland; Jacomena Maybeck, Berkeley; Don Cahoon, Napa. Serigrapher, Gene Tappen. Wood sculpturers: June Kelly, San Leandro.

Dorothy Webb and Marilyn Hodge are the operators of this unique center.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO—(CNS) — A set of administrative rules and regulations which would make Preston L. Silbaugh, state savings and loan commissioner, the virtual arbiter of advertising used by savings and loan companies to promote their business, is being proposed at the present time.

A notice has been issued by James M. Laurent, assistant savings and loan commissioner, stating a hearing will be held July 26, at 2 p. m., in the office of the commissioner in San Francisco. Another hearing will be held in Los Angeles at the same time, July 28, in Los Angeles.

The proposed rules appear to be an infringement on the rights of businessmen to advertise as they choose, even though they conform to present sections of state law prohibiting false advertising.

Thus, one more governmental division is attempting to set itself up as a "little dictator" to govern the savings and loan business.

Authority for this action, of course, is assumed by the savings and loan commissioner by reason of the fact that the state license savings and loan companies.

And once organizations get under a state licensing system, their methods of doing business are subject to all of the whims of bureaucracy.

In the section of the proposed rules defining the purpose and the scope of the attempt to seize control of savings and loan advertising, the proposal states:

"Publication of these rules does not affect the responsibility of the commissioner, imposed by the law, to take action to terminate the use of any advertising that in his opinion is unauthorized, false, misleading, or likely to deceive the public.

Apparently, the commissioner already has the power under the law to stop advertising, if "in his opinion" it is not good for the public. The rules would merely extend the commissioner's authority to act as the bureaucratic dictator of savings and loan advertising.

The proposed rule goes into ex post facto questions, as there is a demand that all associations maintain and make available for inspection a file of all forms of advertisements used by it during the preceding three years.

Another section gives the commissioner the authority to require filing a copy of a proposed advertisement at least five days prior to its use.

Still another section prohibits the use of an advertisement if the commissioner gives notice that it should be killed. This in effect, finds the advertiser guilty without trial, thereby handling the savings and loan commissioner authority to act without first permitting the courts to rule. The advertiser as a result of this is held guilty until he proves he is innocent, thus negating the general principle of law that an accused individual or concern is innocent until proven guilty.

Scores of other provisions are contained in the proposed rules, all of which tend to hamper the free moving flow of advertising which building and loan companies are using to convince the public its money should be invested in this field.

Business has a right to advertise its wares, and the state protects the public through laws against false advertising.

NOTICE OF TRUSTEE'S SALE No. 23091

On Friday, the 4th day of August, 1961, at 11:00 o'clock A. M. of said day at the main entrance of the County Court House, Nevada City, County of Nevada, State of California, the undersigned, inter-County Title Co., a corporation, as trustee, will sell at public auction to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of Nevada, State of California, and described as follows, to-wit:

PARCEL NO. 1: Lots Fifteen (15) and Sixteen (16) on Main Street West, as per the Official Map of Plat of the Town of Truckee, County of Nevada, State of California.

PARCEL NO. 2: Those certain lots, pieces or parcels of land bounded on the north by High Street and on the south by Lots Fifteen (15) and Sixteen (16) of the Block known as Main Street West, according to the Official Map or Plat of the said Town of Truckee, the land herein conveyed being directly in the rear and northward from said lots Fifteen (15) and Sixteen (16) and having a uniform width of fifty (50) feet and extending northerly to the south line of High Street, a distance of One Hundred (100) feet, more or less.

Said sale will be made without covenant or warranty regarding title, possession or encumbrance, to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by Kenneth C. Ford and Donna L. Ford, his wife, to Inter-County Title Co., a corporation, trustee of Colin C. Campbell and Juliet B. Campbell, his wife, dated July 1, 1959, recorded July 31, 1959, in the office of the County Recorder of the County of Nevada, State of California, in Book "265" of Official Records, at page 374.

Dated: July 10, 1961
Publish: July 13, 1961, July 20, 1961 and July 27, 1961.

INTER-COUNTY TITLE CO., as Trustee
By EARL E. ERICKSON, Vice-President

POPULATION SHOWS BIG GAIN IN STATE

SACRAMENTO — (CNS) — California continued to gain in population at the rate of more than 1,325 persons a day, with the total estimated at 16,445,000 on July 1, the state department of finance reported.

This was a gain of 585,000, or 3.7 per cent, for the past year, the department said.

Net civilian migration accounted for 339,000 new residents, or 57.9 per cent, with the excess of births over deaths making up for 241,000 more population, a record high. The other growth came from a 5,000 increase in the number of military personnel stationed in the state.

The department estimated migration probably would continue at the present level during 1961-62 and increase during 1962-63. It estimated an average annual gain of 600,000 persons in the next two years, with an expected population of 17,655,000 by July 1, 1963.

California is expected to overtake New York and become the biggest state in August, 1963.

The gain of 585,000 was the third highest in history, falling behind only 1959-60, which showed a gain of 602,000, and 1956-57, with a jump of 595,000. The gain for 1961-62 is projected at 588,000 and, for 1962-63, 622,000.

LAKE LEVEL

TAHOE CITY — The level of Lake Tahoe Monday stood at 6224.20. The temperature has ranged from 43 to 85 during the week, Daryl K. DeWalt, cooperative observer, reported.

West Shore Notes

By MRS. ELLEN ATTARDI
Telephone JU 3-3917

A visitor at Lake Forest last week was Thomas Brown of Auburn. "Tommy," as he is affectionately known by his many friends here, was the guest of Mr. and Mrs. Al Adams. Before moving to Auburn several years ago, Tommy resided at Lake Forest for many years.

* * *

Participating in the Reno Modern Bowhunters Annual Deer Shoot last Sunday were 12 members of the Lake Tahoe Archers. More than 200 hundred bowmen participated in the shoot and three of the local archers participating brought home trophies. They were Marvin Johnson, Don Lambert and Bernie Banta who placed first, second and third, respectively, in their divisions. Other local archers attending the meet were Jim Banta, Bob Johnson, Leah Cook, Favon Cook, Ivy Kimball, Al Pecchinino, Wayne Johnson, Dean Ferrar and Hal Ferrar.

The shoot was in the form of a simulated deer hunt.

* * *

Roger Rego of San Jose is a houseguest of Connie and Ed Gill this week at their Tahoe Park residence.

* * *

Dr. and Mrs. Harold Dewey of San Leandro are spending a week's vacation at their Tahoe Park residence.

* * *

Preparing to move into their new home in the Highlands are Dr. and Mrs. Fenwick Cole of Tahoe City. The Coles plan to make their move the first part of August.

* * *

Craig Stewart and Pat Courtney, both of Woodland Hills, are summering with friends in Timberland.

* * *

Denise and Mimi Kimball, daughters of Mr. and Mrs. Ron Kimball of Tahoe Park, are vacationing with their aunt and uncle, Mr. and Mrs. Mike Marshall, at their home in Pleasanton.

* * *

A seventh birthday was celebrated last Saturday by Theresa Vanni, daughter of Mr. and Mrs. Pete Vanni, at a party held at the home of her grandmother, Mrs. Jack Dunne, on Fairview Drive in Tahoe City. Theresa entertained 20 friends at the party.

* * *

Recent visitors at the Lake Forest home of Mrs. Ward Knapp were sons Richard Yeakel and family of Castro Valley, and Rodney Yeakel and three daughters Pam, Kim and Shauna of Sacramento.

* * *

Young Dave Donaldson is recovering after a mishap suffered while swimming last week.

* * *

Richie Baker of Tahoe City celebrated his seventh birthday last Sunday at a picnic party held for him by his family at Sand Harbor.

* * *

Mrs. Hanna Sippola of Loomis arrived Tuesday to spend a two week vacation at the home of her daughter, Mrs. Marshall Ruhkala, in Lake Forest.

* * *

Young Bobby Banta, son of Mr. and Mrs. Jim Banta of Lake Forest, is vacationing this week at the Castro Valley home of Cathy and Clyde Arnette.

* * *

A broken elbow was suffered by Janet Jorgensen, daughter of Mr. and Mrs. Bob Jorgensen of Tahoe City, in a mishap last Tuesday.

Local sportswomen Katherine McBride, Jean Holley, Jean Patterson and Jan Cordes are among the latest to get the golf "bug." They are all enrolled in a beginners' class at the local golf course.

* * *

Mr. and Mrs. James Simpson and children Craig and Diane of Concord were recent houseguests at the Ron Kimball home in Tahoe Park.

* * *

One of the newest leg casts in town is that worn by Mrs. Roberta McClanahan of the Highlands.

* * *

An honored guest at this week's meeting of the Lake Tahoe Archers was expert archer A. Lattimer of the California Bowhunters' Association. The meeting was held at the Tahoe Park residence of Ivy Kimball.

* * *

Eddie Conners, son of Mr. and Mrs. Bill Conners of Homewood, celebrated his seventh birthday last Wednesday at a family birthday party.

* * *

Vacationing this month in Hanford is Miss Peggy Hoff, daughter of Max and Unis Hoff of Chamberlands. Peggy is visiting with her grandmother, Mrs. Effie Craine.

* * *

Two birthdays were celebrated at the Jack Holley residence in Pineland recently. Son John observed his 17th birthday on Friday and son Glenn celebrated his fourth birthday the week before.

GIDDYAP!

San Francisco 1858—California's first overland mail coach leaves for St. Louis

GOLDEN MOMENTS

In California history—Butterfield's Overland Mail made the first mail run from San Francisco to St. Louis in *24* days!

In California life—today, another first is light, bright beer. Beer means enjoyment . . . prosperity. Last year alone, the Brewing Industry purchased some 2 million bushels of California-grown barley—one more reason why beer means better living for all in the "Golden State."

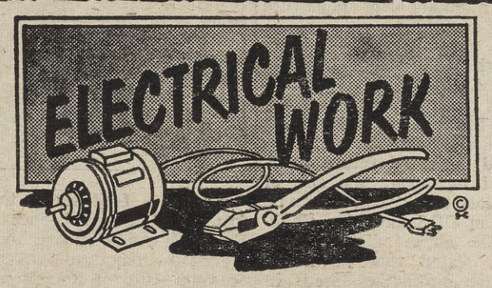

UNITED STATES BREWERS ASSOCIATION, INC.
Chartered 1862

GUNS

The Gunroom in Verdi, Nevada, has over 300 Guns in stock. Deer Rifles, $15.00 and Up. Ammo. Closeout on Elephant Rifles. (Due to lack of elephants.)

Single Actions, 22 Plinkers to 44 Magnum. Immediate Delivery on Hand Guns. No Waiting Periods, no Registration, no gimmicks.

LET AN ELECTRICIAN DO It...IT'S SAFER!

Before you start . . . stop! Call us for the expert, quick, economical approach to all your home electrical ills!

BUD OWENS ELECTRICAL CONTRACTOR
Phone LUther 7-3177 Truckee

when you flip a switch . . .

When you flip a light switch . . . turn on your electric range . . . or switch on the TV set, you expect electricity to be there, ready in an instant, night or day.

It's our job to keep electricity at your fingertips, 24 hours a day, so you can enjoy all the benefits of electrical living. That's why our linemen rush out to handle sudden emergencies—summer storms, lightning, winds that throw limbs across power lines, auto wrecks that shear off power poles.

Our aim is to keep electricity at your service, at all hours, in all kinds of weather, so you can live better, electrically!

COUNTY FUNDS SHOW DECLINE DURING YEAR

Balance of all funds of the Nevada County treasurer's office declined from $2,859,463 on June 30, 1960 to $2,002,773 on June 30, 1961 as warrants for the year totalled something less than a million dollars more than the year's permits (receipts).

The total of Nevada County banked income for the fiscal year was: $7,399,528, while the warrants or outgo for the same period was $8,256,218.

Mr. and Mrs. Arnold Verdi of Donner Lake had as their guests last week, Mr. and Mrs. Jack Marquette of Long Beach. Marquette pronounced the trip a marked success as he caught his first fish from Donner Lake after several attempts in past years.

AIRLINE FIRM SEEKS LOCAL FIELD USE

CRYSTAL BAY — Tujunga California Elks and their guests from neighboring southern California communities, inaugurated charter air service between Burbank and Lake Tahoe's north end this past weekend. The flight, sponsored by the owners of the Crystal Bay Club, was flown by Blatz Airlines of Burbank and arrived at its Reno, Nevada terminal just 2 hours and 12 minutes after departure from the southland.

A new North Lake Tahoe terminal for the Lake Tahoe Tours of Southern California is planned later this year. Directors of the Truckee Tahoe Airport met with Fred Hall, chief pilot for Blatz Airlines, and discussed future possibilities of increasing the size of their airport to accommodate larger than DC-3 aircraft. Chairman of the airport district, John Houlgate, stated that he hoped construction on the proposed airport, only a few minutes from Lake Tahoe, would start no later than mid-August or September 1. He added that there was a good possibility that the contemplated runway length could be extended to 6,000 feet. The district also plans to clear and grade each end of the runway to a length of over 10 thousand feet, he concluded.

Complete approval of the airport site and plans was voiced by the Blatz Airlines chief pilot, who said, "this site is one of the finest mountain airport sites in California. I have known of its location for 15 years and will recommend it to Blatz officials without reservation." "There is as much flying room here as in most of the airports at sea level and our letdown to land will be normal, affording the best passenger comfort possible," he added.

The main facilities of the California Academy of Sciences at San Francisco are Steinhart Aquarium, Morrison Planetarium, Science Museum, Hall of Botany and Milliard Library.

COMMITTEES NAMED BY SOROPTIMISTS FOR COMING TERMS

KINGS BEACH — The Soroptimist Club of Lake Tahoe held its final meeting of the year, before recess, at the Kings Beach Bowl Tuesday night.

President Maggie Stollery presided and introduced the chairmen who gave reports on proposed activities for the club for the coming year.

Ruth Mizner, service chairman, outlined community service projects for club approval, serving on the service committee with Ruth are Mickey Mandeville, Mildred Matthias, Beulah Carnell and Helen Beaverson.

Blanche Donaldson offered several ways and means activities. Serving with her are Ruth Burris, Louise Scoville, Virginia Cassella, Barbara Bressler and Maggie Stollery. Revisions of the by laws were read and accepted by the membership. Mildred Matthias, chairman of the constitution and by laws committee, had help from Ruth Mizner, Mickey Mandeville and Louise Scoville in the revision of the by laws.

The following chairmen and committee members will serve in these approved capacities in the 1961-62 year. Bulletin, Tally Daneri; auditor, Mae Murray; finance, Ellen Sklar, Mae Murray, Tally Daneri; historian, Maxine Bacus; parliamentarian, Blanche Donaldson; attendance, Audra Holmes and Ruth Burris; press bulletin and scrap book, Sophie Levra; music, Ruth Mizner; public affairs and public relations, Mickey Mandeville;

Welcome, Mildred Matthias, Marie Henry; benedictions, Marie Henry; roster, Barbara Bressler; program, education, extension, Marty Reick; founders' day, charter day, Mickey Mandeville, Ruth Mizner, Blanche Donaldson; sunshine, Bonnie Barnett; scholarship, Peggy Hulbert.

Tally Daneri outlined plans for the Soroptimist regional conference of which she is chairman, that will convene at Crystal Bay in October.

The club will be in recess until September 5, when it will again resume Soroptimist activities with the first luncheon meeting of the new year at Crystal Bay Club.

SECOND MAN HELD IN ALLEGED FRAUD CASE

A second man allegedly involved with the destruction of a vehicle with intent to defraud the insurer, was arrested in Sacramento and transferred to the Nevada County jail where he posted $1,050 bail.

Frank C. Lawson, Carmichael dishwasher, was implicated with the February incident with Anthony E. Huggard, 44, when police say, they drove to the Donner Summit region and pushed a 1960 foreign vehicle off a cliff. It was not completely demolished, however, as its fall was cushioned by the deep snows.

Both men have submitted complete confessions admitting the intentional fraud to collect insurance monies, officials said.

According to District Attorney Harold Berliner they reported the incident to the California Highway Patrol and then to Huggard's insurance company. Huggard at that time reported the auto had lost its brakes at a high rate of speed and that he had jumped.

Huggard pleaded guilty in Nevada County Superior Court July 7. His case will be continued until the report from the probation department.

Lawson's preliminary hearing will be scheduled in superior court.

COUNTY HAS 155 IN FEDERAL EMPLOYE

Nevada county has 155 people on the federal civilian employment rolls—one out of each 139 people in the county, according to S. J. Arnold, general manager of California Taxpayers' Association, who received from Senator Harry Byrd of Virginia a report on federal civilian employment made by the joint committee on reduction of nonessential federal expenditures.

The count was made December 31, 1960, and covers legislative, judicial and executive branches.

PLACER SHARES FUND FROM HIGHWAY TAX

AUBURN — Apportionments from the highway users tax fund totalled $434,290,501 during the 1960-61 fiscal year, State Controller Alan Cranston reported today.

Cranston said the amount represents an increase of $20,531,631 over the 1959-60 apportionments.

The total allocated to Placer County in the fiscal year which ended June 30 was $572,929.18.

BOCA FIRE

(Continued from Page 1)

ers and 130 men from Herlong, with Robert Allison, Tahoe Forest fire control officer, in charge of operations.

The fire was contained in a 5-mile perimeter and held on the west side of Verdi Ridge. A few minor spot fires broke out on the east slope of the ridge but caused only a little trouble to control.

The only structure in the path of the flames was the Forest Service lookout station on Verdi Peak on the California-Nevada line but was not in immediate danger.

The fire burned parallel to the 1960 Donner Ridge fire and just south of that area. It was checked in the same vicinity where the Donner blaze was stopped last year.

Forest Service officials have again pointed out the dry conditions of the area and are urging everyone to use utmost caution in handling fires and to report all fire immediately and not wait until they get to a point where they are uncontrollable.

ACCIDENTS

(Continued from Page 1)

Megquier of Reno were involved in a collision four miles east of Truckee on the freeway. A third car driven by John Rodgers of Alameda, who was cited for causing the wreck, was also involved.

Clayton E. Frederick, 60, Tahoe City was cited for drunk driving after his car was involved in a minor collision near Tahoe City at 2:30 a. m. Sunday. No one was injured.

Marlyn Moorehouse, Yuba City, was treated at the hospital Monday at 12:40 p. m. after a car driven by George Curtis was wrecked near the intersection of Highways 40 and 89. Curtis said he got dust in his eyes and the car ran off the road.

The Aerospace Industries Association has predicted there will be 100,000 business, pleasaure and utility plans in operation in the United States by 1970.
